Tell me What We Did Today: A New Book by Rick Kupchella, Illustrated by Warren Hanson

At the end of the day, a dad takes time with his child to talk about all the things that went on since morning...the real and the made up things. Young children will enjoy this warm, witty, and sometimes wacky book by TV newsman, Rick Kupchella and illustrated by Warren Hanson. These two men are dads who know the value of spending time with their kids. Available at Amazon.com and your local bookstore.
