Inspired by his own young daughters, KARE 11 news anchor, Rick Kupchella, has written a lovely and empowering book that bursts with the enthusiasm and possibility that is within all our daughters, sending the message that girls can be anything they want to be. The book is written in lively verse and includes the stories of Supreme Court Justice, Sandra Day O'Connor, first American woman astronaut, Sally Ride and Olympic gold medal winner, Jackie Joyner-Kersey. Marilyn Brown's bright and playful illustrations enhance the message. Recommended for ages 4-8. Available at Borders, Barnes & Noble, Amazon or tristanpublishing.com.
